

Biz M8

REDEFINE EXCELLENCE

Who We Are

Biz M8 is a multifaceted company with a mission to redefine excellence by providing bespoke solutions for local and global brands within various industries.

Established in 2010 as **Coram Web Solutions (CWS)**, Biz M8 is a 100% black-owned proudly South African company and a Level 1 B-BBEE contributor registered in terms of Section 14 of the Companies Act, 2008. Biz M8 prides itself with an innovative, skilled and qualified team that has a combined corporate experience of 20 years.

As a group, the company currently has three divisions namely; **Biz M8 Creative**, **Biz M8 Digital** and **Biz M8 Worx**. Each division consists of industry experts who provide turn-key products and services for both private and public sectors to the client's highest expectation.

What We Do

OUR DIVISIONS

Biz M8 Cr8iv

Biz M8 Cr8iv is an integrated brand agency of the **Biz M8 Group** offering marketing, communications and interactive media solutions to both local and global brands.

The agency's vision is to build, enhance and grow brands using both traditional and digital media platforms. Through innovative ways, we assist brands in managing stakeholder relationships, reputation management and messaging that drive brand value effectively through various communication efforts.

Some of the services offered by the agency include branding and design, marketing, communications and talent management.

Biz M8 Digital

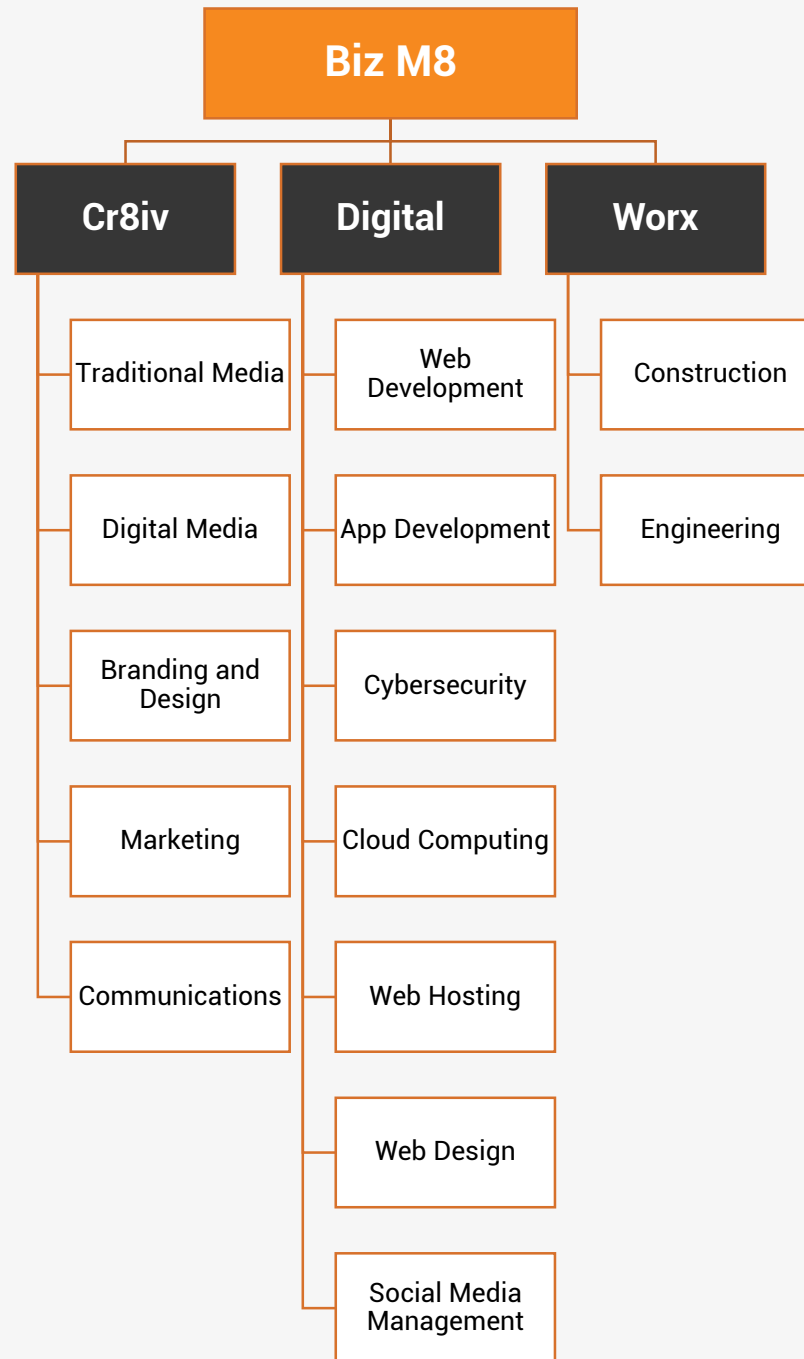

Over the past 7 years, Biz M8 has provided Information and Communications Technology services and products to both SMMEs and Corporate Companies in Africa. These includes but not limited to Web and App Development, Social Media Management, Web Hosting, Cloud Computing, Cybersecurity and Search Engine Optimisation (SEO).

Biz M8 Worx

As a newly established division of the group, **Biz M8 Worx** currently focuses on general building services such as:

Developments
Industrial, Commercial and Residential Buildings
Low and middle income housing developments
